

# PLAY BY THE RULES™

## Teacher Response Form

*Play by the Rules* is a continuous work in progress. Completion of this form enables us to revise this curriculum to better serve our youth. Your response is greatly appreciated in our effort to continue this civic education project.

### Directions:

Please complete this form, fold it so our address is showing, affix a stamp and send it to us.

Please check the following items that you completed while teaching *Play by the Rules*:

- |                                                                             |                                                                       |
|-----------------------------------------------------------------------------|-----------------------------------------------------------------------|
| <input type="checkbox"/> Sent out letter to parents/guardians               | <input type="checkbox"/> Used "Taking Home the Law" lessons           |
